

Jiya Jain

A Graphic design student

About me

I am a 19-year-old aspiring graphic designer fueled by a passion for creativity and innovation. I thrive on transforming unique ideas into compelling visual narratives that capture attention and evoke emotion. Seeking a design internship to apply my creativity, technical skills, and problem-solving abilities to real-world projects while gaining industry experience. My goal is to grow as a designer by collaborating on impactful projects, gaining hands-on experience in the industry, and continuing to push the boundaries of innovative design solutions.
